Hi Dr. Badaracco,

I'm following up regarding my interest in a job at Bellevue on an HHC line. I can work in forensic, child, outpatient, ER or other areas. My first choice is to work on 19.

I would like to start a new position prior to the CHS take over of the Bronx Court Clinic, which is scheduled to be complete by July 1. I know most lines are NYU at this point, but my union said there is internal flexibility at hospitals to change back to HHC lines.

Thank you for your consideration?,

Hi Jeremy

Is the line an HHC Physician Specialist or Attending III?

What is the salary range?

When is the start date?

Does everything carry over, accrued time, longevity pay, benefits etc?

Will I have my own office?

Thanks  
Melissa

Hi Melissa. The doctors' union just contacted me (Nate SantaMaria) and I confirmed via email that you are eligible for the bonus, due to continuous H+H employment from July 2017 thru 6-30-18. He said you would receive it. Let me know any glitches.

Great that you took your boards. We now have a new Child Psychiatry Chief, Rebecca Weis, who started on Monday. I will speak with her re: opportunities—the forensic-child expertise is often needed.

Very good to hear from you too! I hope the transition is working out as well as possible.

Mary Anne

Hi Dr. Badaracco,

I hope all is well. I miss Bellevue. I'm writing because I am eligible for the retention bonus but for some reason I was left off the list. Patzy Yang had sent me an email in June saying that I was being kept on a BHC payline until July 1 to ensure that I receive the bonus, so I think everyone is in agreement that I meet the criteria for the \$20K bonus.

On another note, I sat for my child boards last month, I don't know if I passed, but either way I would be interested in coming back to Bellevue in the outpatient department, if any HCC line were to open up.

Thank you,  
Melissa

Hi Dr. Badaracco,

I tried to find out job numbers as you asked. My union said they don't have that information and said I should call DCAS or go to payroll, which I'm doing.

I would like to accept the job on 19 pending clarification of details including salary/line etc. Can we meet next week?
